**NOTICE OF RELATED CASE**

PLEASE TAKE NOTICE, pursuant to Local Rule 1.6(a) of the United States District Court for the Southern District of New York, that the above-captioned proceeding, *Ortiz, et al. v. Time Moving & Storage, Inc.*, 08-cv-5003, is related to *Perez et al. v. Time Moving & Storage, Inc.*, 08-cv-2775, currently pending before the Honorable Colleen McMahon.

Both cases are putative class/collective actions alleging unpaid overtime under the Fair Labor Standards Act and the New York Labor Law. The putative class/collective in these cases is nearly identical. The cases therefore involve exactly the same questions of law and fact. Defendants are represented by the same counsel in both cases. Defendant believes that this case should be assigned to Judge McMahon in order to avoid conflicting results, to conserve judicial resources and to promote an efficient determination of the actions.
